Twenty- Seventh Sunday In Ordinary Time

Dear Brothers and Sisters,

Do you seek to help others draw near to the Lord? The parents who brought their children to Jesus wanted Jesus to lay his hands upon them. They knew of the healing power, both physical and spiritual, which came from Jesus' touch. Jesus, in turn, rebuked his disciples for hindering the children from coming. No doubt the disciples wanted to shield Jesus from the nuisance of noisy children. But Jesus delighted in the children and demonstrated that God's love has ample room for everyone.

No one is unimportant to God. He comes to each person individually that he might touch them with his healing love and power. May we never hinder our youth from coming to the Lord to receive his blessing and healing power. And as we grow with age, may we never lose that child-like simplicity and humility which draws us into Christ's loving presence. Do you show kindness to the youth you encounter in your neighborhood, home, and church and do you pray for them that they may grow in the knowledge and wisdom of Jesus Christ?

God bless you,

Fr. Theemas

The month of October is dedicated to the Holy Rosary. According to an account by fifteenth-century Dominican, Alan de la Roch, Mary appeared to St. Dominic in 1206 after he had been praying and doing severe penances because of his lack of success in combating the Albigensian heresy. Mary praised him for his valiant fight against the heretics and then gave him the Rosary as a mighty weapon, explained its uses and efficacy, and told him to preach it to others. Since the prayers of the Rosary come from such excellent sources — from Our Lord Himself, from inspired Scripture, and from the Church — it is not surprising that the Rosary is so dear to our Blessed Mother and so powerful with heaven. If we turn to history, we see many great triumphs of the Rosary. St. Pius V attributed the great defeat of the Turkish fleet on the first Sunday of October, 1571, to the fact that at the same time the Rosary confraternities at Rome and elsewhere were holding their processions. Today, when dangers far greater than those of the ancient Turks threaten not only Christianity but all civilization, we are urged by our Blessed Mother to turn again to the Rosary for help. If we, in sufficient numbers do this, and at the same time carry out the other conditions that she has laid down, we have the greater reason for confidence that we will be delivered from our dangers.

BETHLEHEM HANDICRAFTS THIS WEEKEND

From Bethlehem, the birthplace of our Lord Jesus Christ, comes Bethlehem Handicrafts. The Christian community there takes great pride in creating unique olive wood handicrafts from the Holy Land. Bethlehem Handicrafts financially supports many Christian families in our Savior's land by their sales, improving the economic and social conditions of these families. These items are on display in the main vestibule of our church this weekend. Won't you please be a part of changing lives with your purchase?

STEWARDSHIP REFLECTION

"So out of the ground the Lord God formed every beast of the field and every bird of the air, and brought them to the man to see what he would call them; and whatever the man called every living creature, that was its name." (GENESIS 2:19)

The creation story reminds us of two important points. First, since the start, God has put the entire world into our care. Second, stewardship has been around since the beginning of mankind, it isn't something recently invented by the Church. Just as past generations built our Church, it is now our responsibility to continue to nurture and develop these gifts for future generations.
