Twenty-Eighth Sunday In Ordinary Time

Dear Brothers and Sisters,

In today's gospel, right after a wealthy young man refused to follow Jesus, Peter, somewhat crudely wanted to know what he and the other disciples would get out of it since they had freely accepted Jesus' offer to follow him unconditionally (Mark 10:28-30). Jesus spoke with utter honesty: Those who left all for him would receive a hundred times more now, even in this life, as well as unending life in the age to come. The Gospel presents us with a paradox: we lose what we keep, and we gain what we give away. When we lose our lives for Jesus Christ, we gain a priceless treasure and an inheritance which lasts forever. Whatever we give to God comes back a hundredfold. Generosity flows from a heart full of gratitude for the abundant mercy and grace which God grants. And generosity will be amply repaid, both in this life and in the life to come.

Jesus offers us an incomparable treasure which no money can buy and no thief can steal. The thing we most set our heart on is our highest treasure. Material wealth will shackle us to this earth unless we guard our hearts and set our treasure on God and his everlasting kingdom. Where is your treasure?

God bless you,

Fr. Theemas

RESPECT LIFE MONTH A TIME TO REFLECT AND PRAY

October is Respect Life Month in the United States Catholic Church, where we devote time to praying and acting in defense of all human life, especially those who are most vulnerable: pre-born children and their parents, senior citizens nearing the end of life, prisoners on death row, individuals with disabilities, those suffering from violence and poverty, and more. This year's Respect Life Month theme is, "Every Life: Cherished, Chosen, Sent."

The theme is inspired by the story of Saint Juan Diego and Our Lady of Guadalupe. In 1531, the Blessed Virgin Mary appeared to a poor indigenous peasant named Juan Diego four different times at the hill of Tepayac in Mexico, speaking to him in his native Nahuatl language. She instructed him to ask the local bishop to have a church built on the site, where people could come to receive her Son and her own care. The chapel was quickly built, countless people embraced Christianity and the Catholic Church increased its protection of indigenous persons. Mary could have appeared to the bishop or another powerful person, but she chose Juan Diego. She saw his value and what he had to offer even though he was left on the margins of society.

What a powerful example for us in our own time and place. We have a God and a Blessed Mother who have indescribable love for all their children, especially those who are forgotten or neglected in this world.
