

SACRED HEART SCHOOL  
Parent Permission Slip for Google Account Use 2023-2024  
(Grades K-8)

Student: \_\_\_\_\_ Grade: \_\_\_\_\_

I give my child permission to use a school assigned Google e-mail account for Google Classroom, and the Google Suite for Education applications. I understand his/her teachers will be talking, in class, about using technology appropriately, risky behaviors to avoid and will be monitoring student use of these tools to the best of their ability during class. I understand this account may be used outside of class for homework and class projects.

***Students need to know:***

Students will follow school policies for appropriate use when using Internet based services like Google Apps. These services are considered an extension of the school's network. Students have no expectation of privacy in their use as school and service administrators have the right and ability to monitor user accounts for policy and security enforcement.

***Parents need to know:***

Student email is archived and the student Acceptable Use Policy will be enforced. School staff will monitor student use of applications when students are at school. Parents are responsible for monitoring their child's use of applications when accessing programs from home. Students are responsible for their own behavior at all times.
