

Dear Parent or Guardian,

The maintenance of optimum health of your child is part of the school health program. As part of that program, school policy requires that **all** children entering Kindergarten, and any new pupils receive a pre-entrance physical examination. A physical examination is also required for all pupils in grades 2, 5 and 8.

For your convenience, a physical examination form is attached and is to be completed by your family physician. The pre-entrance (Kindergarten and all new pupils) physical form must be completed and signed by your physician and returned to the school nurse by the **first day of school**. All other pupils (grades 2, 5 and 8) must have their physical form completed and signed by their physician and returned to the school nurse by March 1st.

May I also remind you that if your child requires medications at any time during the school year, that you obtain a note from your physician giving the school nurse permission to administer that medication.

Thank you for your cooperation.

Leyla Pazmino
School Nurse
