SACRED HEART SCHOOL
PARENT/STUDENT HANDBOOK 2023-2024

This handbook is intended to be a guide to Sacred Heart School’s philosophy, policies, and procedures. It represents standards and guidelines relating to school life. This information has been carefully prepared and presented to clarify rules as they apply to our students. This handbook exists to foster the efficient operation of Sacred Heart School. To meet this objective, the school administration is given flexibility and the ability to exercise discretion. In appropriate circumstances, the principal has the discretion to take actions other than those specified in the handbook. This handbook is not intended and should not be considered to create any additional rights for students or parents/guardians.

PARENT CODE OF CONDUCT

At Sacred Heart School we are very fortunate to have a supportive and friendly parent body. Our parents recognize that educating children is a process that involves partnership between parents, teachers, and the school community. As a partnership, our parents will understand the importance of a good working relationship. For these reasons we continue to welcome and encourage parents to participate fully in the life of the school. The purpose of this policy is to provide a reminder to all parents to our school of the expected conduct so we can continue to thrive, progress, and achieve in an atmosphere of mutual understanding.

Following the guidance set out, we expect parents to:

- Receive Protecting God's Children Certificate (www.rcan.org – under safe environment)
- respect the property of others.
- treat others with dignity and respect.
- commit to learning as much as possible about Sacred Heart School to be able to support their child in their day-to-day school life.
- follow the parking rules and have the child in school on time with the necessary supplies and appropriate dress.
- sign-up and attend scheduled conferences.
- attend informational/educational events clarifying expectations and deepening knowledge of Sacred Heart School's philosophy.
- follow the school's rules, calendars, and deadlines and expect your child to do the same.
- speak respectfully to the teachers, staff, and other parents in front of children, especially when there is a disagreement.
- build a bridge of acceptance and understanding; and expect your child to do the same among the different cultures represented at the school.

In order to support a peaceful and safe environment the school cannot tolerate parents exhibiting the following:

- shouting at members of the school staff either in person or over the telephone.
- breaching the school's security procedures.
- physically intimidating a member of the staff, i.e. standing very close to her/him.
- defamatory, offensive, or derogatory comments regarding the school or any of the students/parents/staff at the school, on Facebook, or on other social sites (see Social Media Policy). Any concerns you have with the school must be made through the appropriate channels by speaking to the principal/teacher so they can be dealt with fairly, appropriately, and effectively for all concerned.
- abusive or threatening emails, texts, voicemail, phone messages or other written communication.

SACRED HEART SCHOOL
PARENT/STUDENT HANDBOOK 2023-2024

- disruptive behavior which interferes or threatens to interfere with the operation of the classroom, staff's office/office area, or any other area of the school grounds.
- using loud, offensive language, swearing, cursing, using profane language, or displaying temper.
- threatening to do bodily harm to a member of the school staff, visitor, or other parents/students.

Should any of the above behavior occur the school may feel it necessary to contact the appropriate authorities, and if necessary, even ban the offending parent from entering the school grounds.

We trust that parents will assist our school with the implementation of this policy, and we thank you for your continuing support of the school.

SOCIAL MEDIA POLICY

Inappropriate Use of Social Network Sites: Social Media websites are being used increasingly to fuel campaigns and complaints against schools, principals, teachers, staff, and in some cases against other parents/students. Sacred Heart School considers the use of social media websites being used in this way as unacceptable and not in the best interests of the children or the whole school community. Any concerns must be made through appropriate channels. In the event that any parent of a child being educated at Sacred Heart is found to be posting defamatory comments on Facebook or other social network sites, they will be reported to the Principal/Pastor. The school will also expect that any parent will remove such comments immediately.

Individual Accountability: Parents are personally responsible for the content that they post, share, and respond to online. When posting online, all information is considered representative of your views and opinions and not those of Sacred Heart School.

Confidential Information: Online postings and conversations are not private. Do not share confidential information, internal school discussions, or specific information about the students, staff, or other parents.

School Logo: Do not use any school logo without permission. If you wish to promote a specific Sacred Heart activity or event, please contact the principal for permission or provide a link to the official Sacred Heart School Facebook or Instagram page.

Staff-Parent Relations: We recognize that some members of our community are staff members as well as parents or alumni parents. With this in mind, we ask that parents join the social

SACRED HEART SCHOOL
PARENT/STUDENT HANDBOOK 2023-2024

networking site of faculty and staff with discretion. Parents should keep in mind that faculty and staff members are not required to accept invitations from parents and should respect each individual staff member's personal preferences concerning their social networks. You should never discuss sensitive school matters with staff or other parents using Facebook, Instagram, Twitter, YouTube, online blogs, and other social media outlets.

Privacy: When posting, even in the strictest settings, parents should act on the assumption that all postings are in the public domain. In microblogging (Facebook, Instagram, Twitter, YouTube, etc.), comments made using such media are not protected by privacy settings.

School Values: Sacred Heart School encourages parents to set and maintain high ethical standards in their use of social networking. Staff, parents, and students reflect a diverse set of customs, values, and points of view. Be respectful of the opinions of others in your posts or comments. Under no circumstances should offensive comments be made about students, parents, or staff nor the school in general. If responding to someone with whom you disagree, remember to be respectful. Make sure your criticism is constructive and not hurtful. Your posts and comments should help others build and support the school community. Do not comment on nor forward unsupported information, e.g. rumors.

AHERA

As per the United States Environmental Protection Agency's "Asbestos Hazard Emergency Response Act" [(AHERA) 40 CFR PART 763], an inspection for the presence of asbestos-containing building materials has been completed, and an Asbestos Management Plan developed, for Sacred Heart School.

The inspection report and asbestos management plan file are available for review in the school office during normal school/office hours. As required by the USEPA, additional inspections of the school are conducted every six months by properly accredited staff of the Archdiocese of Newark.

SECURITY PROTOCOL

In light of the recent tragedies in schools across the nation, the safety and security of our students is of utmost importance. Some physical changes to the school as well as a protocol for entry to the school have been adopted.

SACRED HEART SCHOOL
PARENT/STUDENT HANDBOOK 2023-2024

The Lyndhurst Police are present in Sacred Heart School everyday and monitor security drills every month. The entry protocol will add an additional layer of security when there is a need to enter the building.

PLEASE NOTE THE FOLLOWING:

- No visitors (visitors include parents) are to enter the building with the students upon arrival or at dismissal time without permission. All visitors (parents) will need to have an appointment. Appointments can be made as early as 7:00 am or after school hours. If something needs to be dropped off at the office, please have your child drop it off or notify the office that you will drop it off yourself.
- No one may enter the parking lot door during school hours except those coming to Before Care between 7:00-7:30 am. Before Care parents must buzz the parking lot door for access.
- All visitors (parents/guardians) must enter through the front doors. At the buzzer you will be asked to identify yourself and state the purpose of your visit before being buzzed into the building.
- If you are picking your child up early you must notify the office prior to the pick-up and provide the time you will be arriving. At the buzzer, you must still state the reason for your visit and, upon entering the building, you must sign your child out at the office before leaving with your child. If someone other than the parent is picking the child up early, the parent MUST let the office know who will be coming.
- It is IMPERATIVE that no one holds open the door upon entry for another parent. Each person must be acknowledged individually through the buzzer system. If the visitor is not known or the office was not notified prior, they may be asked to show identification through the camera. This does not guarantee that they will be buzzed in. PLEASE NOTIFY THE OFFICE IF A VISITOR WANTS ENTRY ACCESS.
- No doors may ever be propped open. If there is basketball practice or any other event after school hours or on the weekend, someone must be posted at the door. (This does not apply when there is a scheduled game or school event when staff is present to monitor entry.)
- The front office staff or administration will notify the Lyndhurst Police if a visitor is uncooperative and does not adhere to the procedures.

SURVEILLANCE CAMERAS

Sacred Heart recognizes that attempting to maintain the safety and security of students, staff, and visitors to our school is implemented with a multi-faceted approach. To the extent that modern technology provides tools to maintain safety and security, the use of surveillance cameras is in place in the school and on school property. Cameras will not be permitted in areas where there is a reasonable expectation of privacy.

BEFORE AND AFTERCARE

Before Care opens at **7:00 am** and After Care closes at **6:00 pm**. The cost is **\$10.00/hour** or **\$5.00/half hour**.

ATTENDANCE

Prompt regular attendance is absolutely essential to academic success. The parent/guardian is expected to foster these good habits in the student, both for the benefit of the student's current academic achievement and to encourage mature adult behavior in the future. We strongly recommend that doctor and dental appointments should be scheduled for days or times when school is not in session.

- After 5 times late each trimester, the student may not receive a perfect attendance award.
- After 15 times late, parents will be notified and warned that lateness could affect their promotion to the next grade.
- After 20 late notices there will be consequences:
 - The student will not be permitted to go on the class trip.
 - The student will not receive any perfect attendance award.
- After 25 or more late notices, the student must attend a Summer Program before being promoted to the next grade.

POLICY REGARDING STUDENT ABSENCE

A parent/guardian must call the school no later than 9:00 am to report a student's absence. If no call has been received by 9:00 am, the school will make a reasonable effort to reach a parent/guardian by phone to verify the legitimacy of the absence. These procedures represent a mutual effort to account for the presence of the student during school hours.

SACRED HEART SCHOOL
PARENT/STUDENT HANDBOOK 2023-2024

When the child returns to school, a written excuse from a parent/guardian stating the student's name together with the dates and reason for the absence must be presented. An absence of three (3) consecutive days or after a communicable disease requires a doctor's note. Parents requesting permission to take a child on trips, vacations, etc. during school time must know the child is considered absent. The procedure regarding vacations during school time is:

- A note stating the reason and the travel date must be sent to the student's homeroom.
- Specific advance assignments will not be given to any student prior to the vacation.

It is the parents' responsibility to see that the student completes all class-work and assignments missed during the absence. Absence without the parents' knowledge is a serious offense. The student will not be admitted back to school until a conference has taken place between the parents or guardian and the principal. A child who is chronically ill may be eligible for home instruction. Please contact the principal for information.

MAKE-UP WORK DUE TO ILLNESS

Students are required to make up all work missed due to absence. Students have one school day to make up work for each day they are absent. (A student who was absent three days would have three school days, including his or her first day back at school, to complete all missed assignments.) **It is the student's responsibility**, not the teacher's, to obtain makeup work. Any parent of a student in Grades K-4 who wants to pick up work on the day a student is absent may call the school office **by noon**. If called in later in the day, we cannot guarantee that the work will be ready for that day. Work may be picked up **after dismissal at the Aftercare desk in the Big Room**. Students in Grades 5-8 need to get missed work from their teachers when they return to school. Some assignments are posted in Google Classroom which is available online.

EMERGENCY CONTACT FORMS

Great care should be taken to complete emergency cards thoroughly and accurately. If contacts or phone numbers/addresses change, the parent must notify the school office immediately. Failure to include or change emergency numbers could result in a very unfortunate situation should an emergency arise involving your child.

MEDICAL CONDITIONS

Please notify the school if your child has any physical conditions that may require attention in school (heart, diabetes, seizure disorder, severe allergies, etc.). A state funded nurse is present

**SACRED HEART SCHOOL
PARENT/STUDENT HANDBOOK 2023-2024**

at Sacred Heart School. The nurse cares for the children who became ill in school as well as screening vision, hearing, etc. In the event of an emergency of serious nature, illness or otherwise, the parent or guardian is notified as soon as possible. If deemed serious enough 911 will be called.

POLICY ON ADMINISTRATION OF MEDICATION

Sacred Heart School strongly discourages the administration of either prescription or non-prescription medication in school or on field trips. However, if it is absolutely essential that a student receive medication while under school supervision, the following procedures apply:

1. A parent/guardian should come to school and personally administer.
2. If this arrangement is not possible, the school nurse or the principal (or her designee) will administer the medication under the following conditions:
 - A. The medication must be given to the school nurse or principal by the parent/guardian.
 - B. The medication must be in the original pharmacy labeled container; and
 - C. The parent/guardian and the student's physician must complete and sign an "Authorization to Administer Medication in School" form. This form is available from the school.

Students will be permitted to self-administer medication only for life-threatening illnesses or conditions. The parent/guardian must schedule a conference with the school nurse to discuss in detail the need for the medication. The parent/guardian and the student's physician must complete and sign an "Authorization of Self Medication in School" form. This form is available from the school.

Sacred Heart School abides by the same procedures for emergency closings as the Lyndhurst School System. Sacred Heart School has implemented an emergency calling system. This calling system will notify each family when there is a School Closing or Delayed Opening or any other information that may be sent to families. **It is the parent's responsibility to notify the office if there is a change in a home phone or cell phone.** When a Delayed Opening is called due to inclement weather, the Delayed Opening will be at the time stated by the Lyndhurst Board of Education.

When a Delayed Opening takes place, the following information regarding **LUNCH** should be followed:

- 1) There will be no hot lunch to be purchased nor will there be any lunch hour
- 2) Please make sure your child eats a good breakfast and brings a snack.

*There will only be time allocated for Snacks on Delayed Opening days.

PARENT/STUDENT HANDBOOK 2023-2024

HOMEWORK POLICY

Research has shown that homework produces positive effects on factual, critical and attitudinal aspects of learning. It is the principal extension of the school into the home. Parental responsibility for homework is to establish the discipline for regular study at home, provide a quiet time for study and reinforce good study habits with praise and attention. Working together, teachers and parents can build the habits of independent study in children. Beginning in first grade, with a minimum of ten minutes of study at home each evening, and escalating this daily amount each school year, the habit of study and time management is gradually ingrained.

Homework varies from grade to grade. (All times are approximate.)

Kindergarten:	Short assignments are given as teacher finds need for them
Grade 1:	45 minutes
Grade 2:	45 minutes
Grade 3-4:	1.5 hours
Grade 5-8 :	2 hours

Homework can include written assignments, study review, reinforcement, reading, research projects, drill, library and/or enrichment reading. Posting homework on the website and Google Classroom is at the discretion of the individual teacher.

PARENT/TEACHER COMMUNICATION

Teacher communication links are available at the Sacred Heart School website. Parents may access the website (www.sacredheartlynd.org) to check for assignments and special announcements as well as to find the links to email individual teachers. Some teachers use specific Apps for communication.

It is the responsibility of each teacher to be present to the students in the classroom. Teachers will answer emails in a timely manner, but not always on the day they were sent. Please contact the office for any emergencies or for a change in the dismissal procedure.

RELIGIOUS EDUCATION AND RELIGIOUS SERVICES

The non-Catholic student is welcome at Sacred Heart School. The non-Catholic student is expected to understand and agree that the school exists to educate in the framework of Catholic values. Non-Catholic students must participate in the Religion classes and liturgical services scheduled for students during the school year.

SACRED HEART SCHOOL
PARENT/STUDENT HANDBOOK 2023-2024

PROMOTION/RETENTION

Pupils are promoted to the next grade on the basis of effort, achievement, personal growth and academic ability.

REQUIREMENTS FOR PROMOTION FOR GRADES 4-8

In order to qualify for promotion to the next grade, students must maintain a passing grade in all major subjects. COMMUNICATION

In order to facilitate home-school communication, the [Online Thursday Folder](#) will be updated on a weekly basis. It is found on the Home page of the school website.

APPOINTMENTS

A good parent-teacher relationship is essential to the education of your child. Therefore, we strongly encourage parents to consult with faculty members at any time.

Teachers are not available for conferences during regularly scheduled classes. Courtesy demands that parents make an appointment with teachers and administration. To respect confidentiality, impromptu conferences in the hallways and in the parking lot are discouraged. Please call beforehand if you wish to attend a special conference.

LUNCH/RECESS

Food is prepared by RPM Food Service and cooked in the school kitchen.

Lunch may be purchased on a weekly basis. A weekly menu is published listing prices and items available for purchase. The weekly menu, found in the Thursday folder on the school's website, needs to be printed, completed with the child's name, grade, and selections and returned to school with the payment on the Friday morning before each lunch week being ordered. **A separate menu must be used for each child.**

STUDENT BEHAVIOR

In conjunction with the best traditions of high Catholic morals and ethics, Sacred Heart School expects students to conduct themselves with maturity, a proper regard for the rights and welfare of other students and school staff, and the care of school facilities and equipment.

Sacred Heart School believes that standards for student behavior must be set cooperatively through interaction among the students, parents and guardians, staff and school community members, producing an atmosphere that encourages students to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for school and community property on the part of students, staff and community members.

Sacred Heart School believes that the best discipline is self-imposed, and that it is the responsibility of staff to use instances of violation of the code of student conduct as opportunities for helping students learn to assume and accept responsibility for their behavior and the consequences of their behavior. Teachers and staff members who interact with students shall apply best practices designed to prevent student conduct problems and encourage students' abilities to grow in self-discipline.

CODE OF CONDUCT

A spirit of Christ-like charity, respect for authority and mutual cooperation are essential elements of the learning environment at Sacred Heart School. Students are expected to act with courtesy and respect toward one another and toward all members of the staff. They must take seriously their obligation to develop lifetime habits of self-control and concern for the well-being of others. An anti-bullying program has been incorporated into our curriculum across all grade levels. We will continue to work toward a bully-free school. Home and school will work together to help students to learn and live the qualities of responsible behavior and the elements of good citizenship. A student who chooses to disrupt the good order of the school or to violate a policy or regulation will have to accept the consequences of those irresponsible choices.

DISCIPLINE POLICY

PREK-3

PreK-3 children benefit from having a few simple classroom rules. There is a chart in the classroom with pictures and words of the classroom rules. For example, there is a picture of feet which says "walking feet" so the children know not to run in the classroom. There is a picture of

SACRED HEART SCHOOL
PARENT/STUDENT HANDBOOK 2023-2024

an ear so that the children know they need to have listening ears in the classroom. There is a picture of a pair of hands, so the children know to use their helping hands. They are reminded that “hands are not for hitting”. Lastly there is a picture of a finger up against a mouth demonstrating that the children need to use inside voices in the classroom.

When a behavior problem arises, the children are reminded of the classroom rules. The children are given two chances to begin following the classroom rules again. If the child or children do not begin following the rules after the second chance, they then lose the privilege of playing in the center which they are in. When the child is taken out of the center for not following the rules, he or she is talked to in a calm way. It is also useful to act. For instance, the child may be taken by the hand and led to the task that needs to be completed such as cleaning up the blocks.

To get the children’s attention when the class is too loud, a count of three is given such as “1 2 3 look at me”. Another effective technique to get the children to quiet down is to whisper in the classroom.

If a child needs to be corrected more than two times in the day, the teacher will notify the parent that day via email or a phone call regarding the child’s behavior.

If the behavior continues, a behavior plan would be put in place after having a conference with the parents.

If the behavior is still ongoing, the teacher will inform the principal and a conference will be set up to determine further action. The principal will be updated following the conference.

PREK-4

Classrooms rules are discussed on the first day of school, the most important of which are:

- Keep your hands and feet to yourself.
- Always walk in the classroom.
- Raise your hand to speak.

Bullying (whether it is physical, verbal, or emotional) will not be allowed. Anti-bullying lessons are taught during the first six weeks of school and are reinforced throughout the school year.

Discipline – Stoplight (as an example)

- All children start the day in the “green light”.
- After 2 verbal warnings to stop inappropriate behavior, the child gets moved to “yellow light” and incurs a time out. Good behavior moves the child back to “green light”.

SACRED HEART SCHOOL
PARENT/STUDENT HANDBOOK 2023-2024

- Once in “yellow light”, two further warnings move the child to “red light” and the parent is telephoned to speak with their child.

The daily happy face/sad face chart is contained in each child’s folder and is to be signed by the parent at the end of each week.

If a child needs to be corrected more than two times in the day, the teacher will notify the parent that day via email or a phone call regarding the child’s behavior.

If the behavior continues, a behavior plan would be put in place after having a conference with the parents.

If the behavior is still ongoing, the teacher will inform the principal and a conference will be set up to determine further action. The principal will be updated following the conference.

KINDERGARTEN

Philosophy: All students can behave appropriately in the classroom. Activities are planned to allow for active participation, Students are expected to behave in a manner that is appropriate for a five or six-year-old child. The following rules are the classroom rules. They are worded in a manner that is easy for children to understand.

Rules:

- We use “I care” language.
- Hands are for helping, not hurting.
- We care about each other’s feelings.
- We are responsible for what we say and do.
- We listen to each other.

Discipline:

First the child will receive a reminder, sometimes more than one, of what is expected. We all make mistakes.

If that is not effective the child will need to move to a different space, or the child will take some time to think by their chair or the back table.

If there are several disruptions and/or a continued failure to follow the rules, the child will be sent to the office or to the principal. The parents will be notified.

SACRED HEART SCHOOL
PARENT/STUDENT HANDBOOK 2023-2024

During the year the children will receive many positive comments about appropriate behavior. The true goal is for the children to feel good about their behavior and to behave because of their inward motivation. When the teacher and the parents work together, positive results are achieved. Please help your child to learn appropriate school behavior by supporting our attempts to instill positive behavior in your child.

GRADES 1-3

When students do not follow the outlined discipline policy, they will receive consequences based on the philosophy of progressive discipline. Progressive discipline uses a consistent approach that starts with a minor consequence for first offenses to a more severe consequence for repeat offenses. Consequences will be determined by the teacher's discretion.

The following is a sampling of the consequences teachers may use:

- Redirection
- Student's color is changed on a behavior chart
- Removal to a "time out" area within the classroom or to another setting
- Written conduct referral
- Conference with student
- Note to parent
- Phone call to parent
- Lunch detention
- Silent snack
- Failure to receive a prize or reward

- Parent phone call
- Lunch detention with teacher
- Student is sent to speak with the principal about their behavior

9) Other Things You Should Know About What You Can and Cannot Do Online.

- The school can tell you what you can and cannot do while you are using the computers at school and outside of school (chromebooks). This also means that the school can keep you from using the computers and the internet while you are at school. Whenever you say or do anything while you are online, you must remember that you are a student in Sacred Heart School and must act like a Christian.
- Remember that your principal and teacher are allowed to look at anything that you have stored on the computers at school, your school email, chromebook, and anything that you create using the internet or computers while you are in school.

If the police or any other government officials need to look at information on the school computers to investigate a crime, the school will cooperate fully.

If you do anything that is against any of the things talked about in these pages, it is a violation of the school's Acceptable Use Policy for Technology, therefore your principal and your teacher may penalize you. They may also stop you from using the computers or internet while you are in school.

The school cannot promise that the computers or internet will always work at the school. You should always make a backup copy of anything you keep on the computers at school in case it is lost or damaged. You should always check with your teacher about any information you get from the internet, sometimes it may not be right.

If you do anything while you are online at school that costs money, you and your parents are responsible for the cost. If you do something that breaks the computers, or costs the school money, you and your parents will have to pay for it.

The school might have to change what you are allowed to do using the computers and internet at school. Your principal and your teachers will inform you and your parents about any changes that are made. We expect you to obey any rules that are made.

The school expects that you will follow the directions of your teachers and other school authorities when you use the computers and internet at school. Anytime that you use the computers or the internet, you must show respect for others. Your actions must also show that you understand that every person is important and that we are all God's children and are brothers and sisters.

BULLYING, HARASSMENT, AND INTIMIDATION POLICY

Sacred Heart School, as part of its mission as a Catholic school, recognizes that all students require a safe and civil environment in order to learn and achieve their maximum potential. Therefore, behaviors including bullying, harassment and intimidation by any student, faculty member, staff or volunteer are prohibited. These behaviors disrupt a student's ability to learn and the school's ability to educate the students. They are counter to the philosophy of Sacred Heart School as a caring Christian community formed to proclaim and live the gospel of Jesus Christ.

Any behavior that takes away the rights of another and/or causes a person to not feel safe constitutes bullying, harassment and/or intimidation. This behavior can include, but is not limited to any gesture, verbal, written or physical act or electronic communication transmitted by means of any electronic device, including, but not limited to, a telephone, cellular phone, computer or tablet that is reasonably perceived as being motivated either by any actual or reasonably perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory handicap, or any other distinguishing characteristic, taking place on school property, at any school-sponsored function, or on a school bus, that:

- a reasonable person should know, under the circumstances, will have the effect of harming a student physically or emotionally or damaging the student's property, or placing a student in reasonable fear of harm to his/her person or damage to his/her property; or

SACRED HEART SCHOOL
PARENT/STUDENT HANDBOOK 2023-2024

- has the effect of insulting or demeaning any student or group of students in such a way as to cause substantial disruption in, or substantial interference with, the orderly operation of the school or the student's ability to be educated.

CONSEQUENCES AND APPROPRIATE REMEDIAL ACTION

Sacred Heart School requires its school administrators to develop and implement procedures that ensure both the appropriate consequences and remedial responses to a student or staff member who commits one or more acts of harassment, intimidation or bullying. The following factors, at a minimum, shall be given full consideration by school administrators in the development of the procedures for determining appropriate consequences and remedial measures for each act of harassment, intimidation or bullying.

FACTORS FOR DETERMINING CONSEQUENCES

- Age, developmental and maturity levels of the parties involved;
- Degrees of harm;
- Surrounding circumstances;
- Nature and severity of the behaviors;
- Incidences of past or continuing patterns of behavior;
- Relationships between the parties involved; and
- Context in which the alleged incidents occurred.

Personal and environmental factors for determining remedial measures will also be taken into consideration.

Consequences and appropriate remedial actions for a student or staff member who commits one or more acts of harassment, intimidation or bullying may range from positive behavioral interventions up to and including suspension or expulsion. Consequences for a student who commits an act of harassment, intimidation or bullying shall be varied and graded according to the nature of the behavior, the development age of the student and the student's history of problem behaviors and performance. Remedial measures shall be designed to correct the problem behavior, prevent another occurrence of the problem; and protect the victim of the act.

REPORTING GUIDELINE

Any student having witnessed or having reliable information that a student has been subjected to bullying, harassment, or intimidation must report the incident verbally or in writing to a teacher, school nurse or the Principal. All teachers and staff members, volunteers, parents and other adult members of the school community having witnessed or having reliable information

SACRED HEART SCHOOL
PARENT/STUDENT HANDBOOK 2023-2024

that a student has been subject to bullying, harassment or intimidation must immediately report the matter within 24 hours in writing to the principal.

Sacred Heart School can only address problems it has been made aware of. Therefore it is expected that all students and adults take the responsibility to report any acts that may be in violation of this policy immediately so that the matter may be given immediate and proper attention. All complaints or concerns will be promptly acknowledged and investigated. This will be done with sensitivity to the subject matter and the need for confidentiality will be determined and respected as appropriate.

Reports may be made anonymously, but confirmation by investigation will be necessary, as formal disciplinary action may not be based solely on the basis of an anonymous report.

Reporting and/or communication regarding incidents of bullying, harassment or intimidation will not affect a student's grades or status.

When a report is made about an incident of bullying, harassment, or intimidation, the principal or designee will thoroughly investigate the incident in a timely manner. Investigation may include interviews with students, parents and school personnel, review of school records and/or communication with law enforcement officers.

Sacred Heart School recognizes that some acts of harassment, intimidation, or bullying may be isolated incidents requiring that the school respond appropriately to the individual committing the acts. Other acts may be so serious or part of a larger pattern of harassment, intimidation, or bullying that they require a response either at the classroom, school building or school wide level or by law enforcement officials. Consequences and appropriate remedial action for a student who commits an act of harassment, intimidation or bullying may range from positive behavioral interventions up to and including suspension as expulsion.

In addition, Sacred Heart School intends to make resources (e.g. counseling) available to individual victims of harassment, intimidation and bullying when appropriate and respond in a manner that does not stigmatize victim(s).

Sacred Heart School and all school personnel, with the support and guidance of the principal, are committed to ensure that this policy is carried out consistently and uniformly, and that all necessary disciplinary actions are carried out with necessary due process.

Sacred Heart School shall review this policy on a regular basis at least annually and update or change it as needed.

DRUG AND ALCOHOL POLICY

The aim of this policy is to ensure the safety, well-being, health and welfare of our students.

Controlled Dangerous Substances are defined in sections 1 through 5 of the NJ Criminal Code. They include but are not limited to: marijuana, heroin and anabolic steroids. The term controlled dangerous substance shall also include alcohol.

A student is judged to be under the influence whenever he/she exhibits physical or physiological symptoms (including but not limited to unsteady walk, dilated pupils, slurred speech, erratic or uncharacteristic emotional reactions) which are commonly associated with the use of controlled dangerous substances.

Possession is defined as knowingly or purposely obtaining or possessing, actively or *constructively, a controlled dangerous substance or drug paraphernalia: a) on or off school property; b) on the person; c) in an accessory (including but not limited to purse, book bag, gym bag or knapsack); d) in a locker or desk; and e) in a privately or school-owned vehicle.

*Constructive possession refers to a student who intends or has the capacity to exercise control over the drug/paraphernalia even if he/she does not have physical possession of the item. For example, who hides drugs on school property or asks a classmate to hold drugs for him/her, constructively possesses the drugs.

Distribution is defined as sharing, selling, or dispensing a controlled dangerous substance: a) on or off school property; b) with or without receiving payment; and c) to individuals enrolled or not enrolled in the school.

Possession with Intent to Distribute applies regardless of whether or not a student intended: a) to receive payment; b) to distribute the controlled dangerous substance to an individual enrolled or not enrolled in the school; and c) to distribute the controlled substance on or off school property.

- A student shall be considered in violation of school policy if s/he is observed: a) to be under the influence, b) in possession, c) engaged in distribution, or d) have possession of a controlled dangerous substance.
- Such a student shall be subject to the following provisions and to the general discipline policy stated in this Handbook: a) when a student is identified as being “under the influence” or “in possession” of a controlled dangerous substance, the principal will refer the matter to local law enforcement officials.

SACRED HEART SCHOOL
PARENT/STUDENT HANDBOOK 2023-2024

- A student suspected of violating the policy governing controlled dangerous substances will immediately be placed under suspension for an indefinite period. The student and parents/guardians shall be given a reasonable opportunity to respond to the allegation as quickly as possible.
- If the principal determines that there: a) was no violation of policy, the student will be permitted to return to school; b) was a violation of policy, the principal may discipline the student according to the general discipline policy stated in this Handbook up to and including expulsion.
- The principal may require the student to participate in an appropriate treatment or counseling program as a condition of the student's eventual return to the school.
- When violation of this policy involves "distribution" or "possession with intent to distribute", the discipline imposed will normally be expulsion.

Possession with Intent to Distribute applies regardless of whether or not a student intended: a) to receive payment; b) to distribute the controlled dangerous substance on or off school property.

WEAPONS POLICY

It is forbidden for a student to bring a weapon of any kind onto school property or to any school sponsored activity. Such action will result in immediate suspension and is punishable by law and will come under the jurisdiction of the local police.

SUSPENSION

Suspension excludes the student from classes and he/she loses student privileges for a definite period of time. Parents are informed of a suspension in writing from the principal and are asked to make an appointment to speak with the principal prior to the reinstatement of the student at school. Suspension is for serious offenses against the good conduct policies of the school and community. Suspended students will be placed on a probationary status for the school trimester. If further serious disciplinary action is necessary during this period, the student is subject to further discipline in the form of systematic expulsion. An In-School Suspension means students are excluded from classes and complete all classwork sitting in the principal's office.

EXPULSION

Expulsion is the permanent removal of a student from Sacred Heart School without the possibility of readmission to the school
