

## RE-REGISTRATION FOR 2024-2025

DEAR PARENTS

Believe it or not it is 2024 and time to start thinking about the next school year.

Because you have been so faithful in making your tuition and fundraising amounts, I am able to keep tuition increases as low as possible.  
I am attaching the new rates for next year.

If you do the math, the rates for an 11 month payment plan is only an increase of \$23.46 per child for Grades K-8 and \$23.35 increase per child per month for PreK children.

This is based on an 11 MONTH PLAN which means payments begin in JULY, 2024 even though school does not start until September. This gives you a lower monthly payment by spreading it out over 11 months.  
ALL TUITION MUST BE PAID BY MAY OF EACH YEAR.

This year I am not separating fees. There will be ONE FEE of \$450 for all families PreK through Grade 8. It is a per family fee, not per child. This fee includes everything except fundraising. Fundraising will remain the same of 10 points per family or \$50 a point if you prefer to pay for the points rather than volunteer your time.

Before and AfterCare will remain the same of \$10 an hour or \$5.00 a half hour.

You can begin paying the fee of \$450 through the link provided or you can pay at the office.

You can pay the fee from now until June 15th. All fees must be paid before the first tuition payment is due in July.

The link is below: Keep in mind this is for next year.

<https://bngn.blackbaud.school/?id=znj0hlbskhi>

I have also attached the tuition rates to the email and my blog so you can print it.

Once you pay the fee I will automatically re-register your child/children for next year. If you are behind in tuition I cannot re-register them until you are current.

Thank you for choosing Sacred Heart for your children.

Mrs. Linda Durocher

Principal
